GENTLEMEN

In reference to night baseball which was arranged BETWEEN your representative and the A,B,C.SPORTS ENTERPRISES POP WINSLOW--I am at this time drawing your attention to the fact That this office was put to an expence of \$12 TWELVE DOLLARS and 70CENTS for printing matter of game which you agreed to play at LONG BRANCH N.J.- for some unforeseen reason -game was cancelled by REPRESENTATIVE of NEWARK EAGLES- BUT to late to cancel printing I am sure you will agree -that the responsibility of this printing bill of \$12-70 rests on your shoulders- BUT being that the game was cancelled - as I understand - only to avoid future conflict with your LEAGUE- I as a BASE BALL MAN will agree to bear half of this expence- which I presume is the only fair thing to do I there fore ask or request you at this time to foward me your half of the expence- which will settle the whole matter to both yours and my own satisfaction-

HOPING this arrangement meets with your approval and hoping to continue our FRIENDSHIP- and BUSINESS RELATIONS

I remain yours in SPORTS
